

Where can I view my screening results?

Last Modified on 17/04/2023 12:16 pm CAT

The full set of screening results will be sent to the insured life's smartphone via SMS immediately after screening.

The insured life can also view results on their smartphone while screening.

Existing Myriad clients will be able to view results and associated discounts on the Momentum website. Please refer to the instructions below to access the Momentum website. Clients will be able to see the latest as well as historical results and their associated discounts.

If you are a policyholder, you can register on our website by following these easy steps:	If you have already registered on our website, log in with your username and password.
Visit momentum.co.za	Under the "Life insurance" heading, click on "Myriad".
Click on the "Login" in the top right-hand corner.	You can select "View details" on the Premium Savings/Discount section.
Click on "Register".	
Complete your details and finalise the registration process.
