

Can I lose the regular debit order discount?

Last Modified on 14/04/2023 12:06 pm CAT

If clients miss the premium on the policy (i.e., miss a debit order payment), the regular debit order discount will fall away. We will cancel the discount from the first day of the month following the date we received the unpaid debit order notification from the bank.

We will only reinstate the regular debit order discount after 24 consecutive months with no missed debit order premium payments.
