

How often is Myriad planning to change the discount factors?

Last Modified on 17/04/2023 9:04 am CAT

The factors included in, and levels required for, LifeReturns® discount percentages will not be changed before 31 December 2027. The factors referred to are:

- Body Mass Index (BMI)
- Blood pressure and medical aid membership
- Physical Fitness
- Regular debit order.

Any changes after this initial period will be communicated at least twelve months before the changes are to become effective.
