

What is a reassessment period and when is it?

Last Modified on 31/12/2024 9:49 am CAT

It is a period when all LifeReturns® clients are required to complete their annual compulsory reassessment. If clients do not complete the reassessment before the end of this period, they will lose their discount (the size of discount drop is limited by the LifeReturns® Reassessment Protector). Myriad's reassessment period is from 1 January until the last day of March every year.
