

What are the advantages of completing the compulsory annual reassessment screening?

Last Modified on 20/04/2023 8:48 am CAT

The compulsory annual reassessment screening allows clients regular opportunities to earn the best possible discount that they can qualify for. It also allows insured lives to enjoy a free annual health check-up to better understand and manage their health. They also enjoy free access to [Hello Doctor](#) where they can talk to a doctor or text a doctor for medical advice over the phone.
