

What is LifeReturns® - in a nutshell?

Last Modified on 10/05/2023 11:49 am CAT

LifeReturns® gives you a personalised discount of up to 35% off on your life insurance premiums. It's a modern approach to calculating maximum discounts on your monthly life insurance premium using the latest digital technology to quickly and accurately assess health risk factors that are used to calculate your monthly premiums' price.

- A quick verification screening will be done using your smartphone's camera.
- No membership cost or paperwork is required to participate in LifeReturns®.
